SUMMARY

I am a certified and licensed speech-language pathologist who is excited to pivot into product research and development. I am a friendly and effective communicator who thrives in both team and individual assignments. Areas of expertise include data collection and analysis, project management and leadership, research, professional writing, and public speaking/presenting.

WORK EXPERIENCE

Classical Charter
Schools
2022 - 2025

Speech-Language Pathology Team Leader

- Supervised a team of 10 clinicians across 4 school sites. Supervision activities included onboarding new employees, initiating team projects, and conducting lesson observations.
- Created and delivered monthly professional development sessions.

Classical Charter
Schools
